

Do you know a colleague who is committed to excellence in nutrition research and practice, but has not joined ASN?

Please forward this application! Members receive benefits ranging from publications, reduced meeting registration rates and networking among the fifteen-plus Research Interest Sections and the three society Councils. ASN's range of benefits results in a membership that can assist you in staying informed and developing professionally—no matter your clinical or research specialty.

ASN is the premier scientific Society dedicated to improving the quality of life through the science of nutrition. We also publish *The American Journal of Clinical Nutrition* and *The Journal of Nutrition* (members receive free online access and waived submission fees!)

Join online at www.nutrition.org or complete and mail/fax this membership application.
