## AMERICAN SOCIETY FOR NUTRITION ANNOUNCES SPOKESPERSON PROGRAM

**January 10, 2008**— Do you need to interview a nutrition science expert? The American Society for Nutrition is pleased to announce the designation of 10 official spokespeople for the year 2008. The spokesperson program offers the media the opportunity to speak with an expert on nutrition science and research. The group of spokespeople includes the President and Vice President of the Society—Joanne Lupton, PhD, and James O. Hill, PhD—as well as those selected based on experience. Our experts can speak to a broad range of popular health topics, including obesity/weight loss, pediatric nutrition, food science, vitamins/minerals, dietary fiber, aging, maternal health, osteoporosis, and public health. The following ASN members are designated spokespeople:

**Stephanie Atkinson, PhD**  
**Roger Clemens, DrPH**  
**Naomi Fukagawa, MD, PhD**  
**James Hill, PhD**  
**Mary Ann Johnson, PhD**  
**Joanne Lupton, PhD**  
**Michelle McGuire, PhD**  
**Patrick Stover, PhD**  
**Connie Weaver, PhD**  
**Nancy Wellman, PhD, RD**

If you are interested in speaking with one of the ASN spokespeople, please contact [media@nutrition.org](mailto:media@nutrition.org). We will arrange interviews with the appropriate person.

To read the complete biographical information of the spokespeople, please visit <http://www.nutrition.org/news/spokespeople/>.

*The American Society for Nutrition (ASN) is the preeminent professional organization for nutrition research scientists and clinicians around the world. ASN is dedicated to bringing together the top nutrition researchers, medical practitioners, policy makers and industry leaders to advance our knowledge and application of nutrition. Founded in 1928, ASN publishes The American Journal of Clinical Nutrition (AJCN) and the Journal of Nutrition (JN). Visit ASN online at [www.nutrition.org](http://www.nutrition.org).*
